

Dear Pratham Aggarwal,

I wanted to express my deep appreciation for your incredible work in organizing and executing the 2022-2023 robotics workshops in Rewari and the surrounding 7 rural areas. Your dedication and leadership skills have left an immeasurable positive mark on our region. Your vision for robotics education has enriched the lives of participants and opened new opportunities.

The Rotary Club of Rewari is proud to be part of this initiative, and we are thrilled with the positive outcomes. Your demonstration of robotics teaching at the Prime Institute was remarkable and a clear indication of the positive change you would bring. The workshops have expanded educational opportunities and ignited an interest in STEM subjects, a significant step forward for our community.

We are immensely grateful for your partnership, dedication, and tireless efforts that made this project a success. The impact will resonate for years to come, thanks to your vision and leadership. As we celebrate the project's completion, we express our gratitude for your exceptional contribution to our community and the Rotary Club of Rewari. Your determination has truly made a difference, and we are excited to see the continued growth of STEM education in our region.

We look forward to future collaborations and making a positive impact together.

Warm regards,

Vipin Dhingra
